Advancing MNZ Workshop

Please take a seat at the
table number that you have
been assigned

QUESTION 1

What do you feel are three key areas that MNZ can better support your Club, and how can we deliver this?

QUESTION 2

What do you believe are the top three challenges for our sport in the future and how can we safeguard against this?

QUESTION 3

From a Club's perspective, where do you believe MNZ's priority needs to be? Please rank the below list - 1 being the most important and 10 being the least.

1. Developing junior and grassroots programmes.
2. Health and Safety.
3. Expand interest in non-competitive and leisure motorcycling.
4. Improve and develop volunteer and officials skills and support systems.
5. Invest in technology to improve MNZ's efficiency and relevancy in a modern world.
6. Investment in further technical and official capacity.
7. Review, update the MNZ Manual of Motorcycle Sport and make more user friendly.
8. Increase MNZ environmental sustainability protocols/processes.
9. Focus on promoting the sport via social media and increasing the scale and impact of our national championships.
10. Make special focus to attract clubs into affiliation that operate outside of MNZ currently.

Please also list any other items that you would like to see on the above list.

QUESTION 4

Keeping in mind there is a limited budget and a need to retain current income, please list three suggestions that you feel will likely grow the membership level of MNZ.

QUESTION 5

Communication is a key factor in sport, please list three suggestions how can we best communicate with our members and clubs.

2019 ADVANCING MNZ WORKSHOP

All delegates were split into groups and provided with questions to brainstorm and present back to the groups.
