*Advancing the Sport of Motorcycling*

# My Current Context

- Its not broken!
- MNZ appears to be doing really well.
- Commissioners are delivering across the disciplines.
- We have made huge progress in NZSBK, NZ MX & NZ SX Events
- We have secured high profile FIM Events
- We have close relations with Motorcycling Australia
- MNZ's support systems have improved
- The MOM's have improved and have settled down

*Advancing the Sport of Motorcycling*

# My Current Context

- BUT
- What are our greatest challenges as Clubs / Officials?
- What is the standard of our Officials?
- What is the standard of our Events?
- What do MNZ need to do differently for you as Officials / Clubs?

*Advancing the Sport of Motorcycling*

# TOPICS FROM THE FLOOR

- How Can We Help?

*Advancing the Sport of Motorcycling*

# Feedback – Regional Officials

- Point of Contact - Commissioner and Officials in your region.
- Oversee grading and performance of Officials in your region.
- Ensure events and officiating are of a reasonable standard.
- Provide mentoring to Officials to improve methods and standardise practices.
- Conduct training seminars in your region (1 per year).
- Attend events in a quality monitoring role.

*Advancing the Sport of Motorcycling*

## OFFICIALS AGM WORKSHOP

|    | Discussion Points   |
|----|---|
| 1  | More MNZ presence at our events to talk to our Officials  |
| 2  | The training in the seminar has to go hand in hand with the training given at the event                 |
| 3  | Stop Officials from losing their qualifications if not used after a certain amount of time              |
| 4  | Upskill our Flag Marshalls  |
| 5  | Conflict Management to be added to Officials Training   |
| 6  | A mentor programme  |
| 7  | Written progression sheet showing what is required to move up the grades                                |
| 8  | How to perform an assessment to be added to Officials Training  |
| 9  | Grouping some disciplines together  |
| 10 | Struggle with the length of the training day and can they be run more frequently                        |
| 11 | Online course for first time Officials to become a Trainee  |
| 12 | Opportunity for Officials to travel to other clubs to observe how they run an event- adds to experience |
| 13 | Splitting of the Officials qualification by Road and Off Road   |
| 14 | National Grade Officials need to be monitored regularly and feedback given                              |
