MNZ APP

We are now on App version 1.16. Please ensure you have the current version by clicking on the More tab then scrolling to the bottom of the page.

Thanks to all those clubs that are trialling scanning at events. We will begin prompting all clubs to scan licences at every event. Full support will be given from the office around this.

Any issues or questions, please contact Mary-Anne - maryanne@mnz.co.nz or 07 828 7852 ext 203

VOLUNTEER RECOGNITION PROGRAMME

A reminder about our Volunteers Award programme. We appreciate all our volunteers and thank you for your huge commitment to our sport. Please don't forget to put forward names of key individuals that you think we should be recognising to go into the draw for a \$150 prezzy card. <https://www.mnz.co.nz/club/club-forms>

TRAIL RIDE RULES & GUIDELINES UPDATE

The draft version of the Trail Ride Safety Rules & Guidelines will be sent out to clubs in the New Year along with some resources. Please take the time to have a good look through this document and utilise the resources. This will be discussed at length at the 2020 AGM – Recreation & Leisure Commission Workshop with a guest speaker.

HEALTHCARE HORIZONS

We would like to inform all MNZ clubs that Healthcare Horizons in Christchurch is no longer a healthcare provider.

CHANGES TO ONE EVENT LICENCES

One event licence books have been updated. A new version will be sent out in the New Year with instructions in regard to books clubs may have on hand.

RULE CHANGES

If you have a suggestion for a rule change in the MoMS, you have until the 28th February 2020 to submit these for consideration.

Please fill out this form <link> and email through to danielle@mnz.co.nz

CLUB EVENT PROMOTION

Please remember if you have an event coming up and you would like us to promote it for you – feel free to flick through your event poster (with MNZ permit number and logo on it) and we will advertise this through our social media platforms. These can be sent to Bayleigh - events@mnz.co.nz

OFFICIALS TRAINING

Officials training courses have wrapped up for the year – thanks to all the clubs that have hosted these and volunteers that have attended. We expect the 2020 Officials Training calendar to be out in early January. If you would like to host a training seminar with us, please feel free to contact Mary-Anne maryanne@mnz.co.nz

NEW LICENCE HOLDERS

Since licencing opened in June 2019 – we have had 426 new members sign up with MNZ. Thanks to all the clubs for providing awesome events for our members to enjoy and for growing motorcycle sport in your region.

MOTORSPORT PROTOCOL GROUP

As you will be aware, MNZ is part of a new Motorsport Protocol Group which is led by Brett Harris, a Barrister, who has represented Motorcycling over the last couple of years. Last week the Group met with Worksafe New Zealand's operations team in Wellington to provide them with a draft accident reporting document created for their feedback. Watch this space – as Motorport works together to get some certainty on accident reporting expectations (for those in our societies only). One thing that appears to be clear is that despite some assumptions volunteers are not entirely exempt from prosecution. The Act still places duties on our volunteers as "workers". We are hoping to have Brett attend our AGM next year to provide a further update on this and everything else that is unfolding in this space.

We hope you all have a Merry Christmas and a safe festive season, we look forward to seeing you in the New Year.

Have Fun, Ride Safe and Be Fair.
