

# MNZ COVID-19 EVENT MANAGEMENT REQUIREMENTS

Due to the constant changes to the COVID-19 level restrictions in place in New Zealand we would like to provide the below resources to our clubs:

## ALERT LEVEL ONE

Motorcycle sport under Alert Level 1 looks much like it did pre-COVID-19, but without any international riders due to boarder restrictions still being in place. There are no restrictions on gatherings and physical distancing – HOWEVER physical distancing is recommended along with maintaining good hygiene practices and contact tracing.

## ALERT LEVEL TWO

Any MNZ Affiliated Clubs operating in Level 2 areas must comply with the MINIMUM requirements [HERE](#)
