

MNZ OFFICE RESTRUCTURE

Dear Friends,

Due to the financial implications of the COVID-19 pandemic, the MNZ Board has made the difficult decision to restructure the operations team in the Huntly office. The Board has a fiscal responsibility to the MNZ members to protect the ongoing financial viability of the organisation.

Following a full consultation process, we regret to announce that the following roles have been made redundant: General Manager Virginia Henderson and Media & Events Coordinator Bayleigh Ward.

We thank Virginia and Bayleigh very much for the commitment and dedication they've shown to MNZ and wish them the all the very best.

Jannine, Mary-Anne, Danielle and Angela will continue to provide administrative and operational support for members, clubs and officials while we navigate these challenging times.

The Board will host a zoom call this evening to give you, the people who make our sport possible, the chance to ask any questions on this. The meeting will start at 8pm, 12th May 2020.

Meeting ID (if required): 2602469731

We hope you're managing to stay safe and well in your bubbles and look forward to seeing you again soon.

Best regards,

Noel May – President, Motorcycling New Zealand
Oh behalf of Governance Board
