

OFFICIALS COMMISSIONER VACANCY

Motorcycling New Zealand are seeking expressions of interest for the Officials Commissioner role which will take over the reins from Dan Batchelor, who unfortunately due to work commitments will be looking to step down from this role.

The position will be for 12 months until May 2021.

We can't thank Dan enough for his dedication over the last 12 months, the training that he has undertaken has been outstanding, and the feedback very positive from everyone that has attended his training sessions. We will be looking to continue with this new training programme and are looking to move to an online training model in the near future, which will hopefully attract more Officials to our sport. Dan will be available to support MNZ through this transition.

Dan you are a true legend and an asset to our sport.

[You can view the role description here](#)

Please send in your expressions of interest to gmo@mnz.co.nz

Expressions of interest close 5pm, Tuesday 12th May.
