

OFFICIALS GRADING UPDATE

NOTICE OF CHANGE TO OFFICIALS GRADING

After significant feedback on the current officials grading system, we wish to advise that we will be reverting back to the original grading system, as below:

Level 1	Trainee
Level 2	Club
Level 3	Club/National
Level 4	Championship

This is currently being updated in the MNZ App and we will be sending out more information around this in the coming weeks. We are also reviewing how our training is being undertaken and will be looking to implement a more effective online training model for Trainees and Club officials which will involve online assessments which we hope will be easier for more members to access.

Take care & stay safe
