

# Promotion of MNZ Club Events

Hi there MNZ Club Secretaries!

As you may have noticed, we have recently started a new regular weekly post on the MNZ Facebook page about events that have entries closing in the coming week.

Currently I am only able to post about the events that have entry forms submitted with the permit applications.

I would like to include more events in these post but will require your help!

If you would like your event to be featured on our Monday morning post; please email [danielle@mnz.co.nz](mailto:danielle@mnz.co.nz) with the following information:

- Event information (where, host club, date of event, discipline)
- Date entries closing
- Poster or picture for the event (if available)

Please ensure this emailed through prior to 8am Monday mornings for the coming week so your event can be featured.
