Jason from AON is keen to add to our [Liability Covers Explained for Affiliated Clubs and Permitted Events](#) with any further information that Clubs require, after it was brought to our attention that there was not enough information regarding road race events.

Interislander Ferry Crossing

MNZ has been in contact with Tony Hirst to ensure our member benefits for ferry crossings with Bluebridge and the Interislander are still competitive and we are pleased to say that prices have not changed in 10 years even in peak season when pricing can increase heavily.
