

Criteria and Guidelines for Life Membership & Life Membership Nomination

- ⦿ These are prestigious honors that are not awarded lightly nor earned of right.
- ⦿ Typically, a maximum of one life membership per year is awarded at the MNZ AGM, although the GB of MNZ may award either none or a greater amount (up to two in total per year) at their sole discretion. It should also be understood that life membership does not have to be awarded each year.
- ⦿ Life members total within MNZ will be typically between 8 and 16 people at one time.
- ⦿ Life membership applications must be submitted no later than 28 February for consideration within the same calendar year, with all applications being considered together by the GB.
- ⦿ Life memberships are awarded for long, well documented and meritorious service
- ⦿ Recipients must have during their time, advanced or improved the sport of Motorcycling significantly, such that their contribution is widely recognised as outstanding.
- ⦿ Recipients ideally should be life members at club level before being considered at national level.
- ⦿ Life members may be called upon to assist with special projects or for guidance and advice in areas of expertise by MNZ.
- ⦿ A certificate of life membership is awarded to all successful nominations. An official listing and CV profile will also be included on the MNZ Life Membership web page.

Other rewards include some selected subsidies when/if attending the MNZ AGM, and some selected life membership apparel + badges.
